

Tax & Insurance Services

The Perfect
Combination

FIESTA INSURANCE FRANCHISE CORPORATION

Want To Own Two Businesses For The Price Of One?

Fiesta Auto Insurance has been preparing Income tax returns for our customers for over a decade.

Our franchisees have been able to add significant revenue and profits with this additional service. All of the same services as the big guys with none of the additional cost. Our franchisees have the ability to offer Instant Refund Anticipation Loans, next day Refund Anticipation Loans, and Refund Anticipation Checks. Your franchise location will be able to offer all Federal and State forms for personal or business filings.

Why spend over \$30,000 on the other guys for this service when for our low franchise fee you have both a twelve month business serving all insurance needs and capture this additional revenue in the tax season.

No additional cost for computers, printers, internet etc.

Royalty rate of only \$30.00 per electronic filing.

No additional royalty charged for state returns.

Annual software cost per store with unlimited transactions is only \$450.00! *

- Low Franchise Fee
- Access To Additional Products & Services
- Year Round Tax & Software Support
- Training, Marketing and Management Support
- Protected Territories
